LEASE AGREEMENT

INTERSTATE COMMERCE COMMISSION

This LEASE AGREEMENT is dated as of August 20, 1982 (the "Lease"), between BRAE International Ltd., P.O. Box 77, Toronto Dominion Bank Tower, Toronto, Ontario, Canada M5K 1E7 (the "Lessor") and Canadian Pacific, Limited, Windsor Station, Montreal, Quebec, Canada H3C 3E4 (the "Lessee").

1. Scope

Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, 100 Class XM boxcars of the description set forth on the attached Exhibit A. "Cars" shall mean all the boxcars subject to this Lease Agreement and "Car" shall mean an individual boxcar subject to this Lease Agreement.

2. Term

The term of this Lease Agreement with respect to each Car shall commence upon its delivery to Lessee and, unless earlier terminated in accordance with Paragraph 8, shall terminate upon the expiration of 15 years from the actual date of delivery of the last of the Cars to be delivered.

3. Delivery and Acceptance

Delivery of the Cars shall occur no later than November 30, 1982. Upon execution of this Lease, Lessor shall inform Lessee of the location of the Cars, and thereafter shall deliver the Cars to Lessee at the interchange point on Lessee's Trackage which is closest to such location. All freight or other transportation charges incurred in such delivery shall be for the account of Lessor. Each Car so delivered shall be in good operating condition, ordinary wear and tear excepted. Lessee shall have the right to pre-inspect the Cars at a mutually agreeable time and place prior to delivery of the Cars to Lessee. Acceptance by Lessee on Lessee's Trackage of any Car shall constitute delivery thereof and the term of this Lease Agreement shall commence with respect to that Car. Lessor and Lessee shall cooperate with each other to facilitate delivery and acceptance of each Car hereunder.

4. Rentals

(a) For each full or partial calendar year during the term hereof in which utilization is equal to or less than 50%, Lessor shall receive, as rent, all straight car hire payments, incentive car hire payments and mileage charges made to Lessee by other railroad companies for their use or handling of any of the Cars as prescribed by the Association of American Railroads Code of Car Hire Rules (collectively the "Payments"). For the purposes of determining Utilization, "Car Hour" shall mean one hour during which one Car is on lease hereunder. For the purpose of this Agreement, "Utilization" shall mean with respect to any period a fraction, the numerator of which is the aggregate number of Car Hours for which Payments are earned by the Lessee during such period, and the denominator of which is the aggregate number of Car Hours during such period.

(b) Utilization shall be calculated on a quarterly basis by Lessee. If Utilization of all the Cars at the end of any calendar quarter exceeds 50%, all Payments attributable to Utilization in excess of 50% shall be retained by Lessee. For purposes of determining the amount of all Payments attributable to Utilization in excess of 50%, the parties agree that the amount of mileage charges earned by the Cars during each Car Hour in which Payments are earned during any calendar quarter shall be the average amount of mileage charges earned by the Cars during such Car Hours during such calendar quarter. While a Car is on Lessee's Trackage, no rental or other charge shall accrue with respect thereto. For purposes hereof, "Lessee's Trackage" shall mean the rail lines of CP Rail in Canada and the rail lines of other railroads in Canada owned or leased by Lessee.

(c) Rentals payable to Lessor hereunder shall be made on a monthly basis as follows. Within 60 days of the end of each calendar month Lessee shall remit to Lessor its estimate, made in good faith, of all Payments earned by the Cars during such month which are attributable to the first 50% of Utilization. Within 180 days of the end of each calendar month, a reconciliation calculation shall be made as to that month for all Payments actually earned during such month and Lessee shall send Lessor its check (or demand for credit) for any balance due with such reconciliation. Except with respect to the first six calendar months during the term hereof, Lessee shall, in computing its good faith estimate of the amount of Payments earned by the Cars per month, assume that the amount of mileage charges earned by the Cars during any month is equal to the amount of mileage charges earned by the Cars during the latest month for which a reconciliation calculation shall have been made. With respect to the first six calendar months during the term hereof, Lessee shall, in computing such good faith estimate, assume that the amount of mileage charges earned by the Cars during each such month is equal to the amount of mileage charges which the Cars would have earned if they had each traveled 50 miles per day during each such month. Lessee shall have the sole responsibility for the resolution of any car hire and mileage disputes and the collection of any Payments due. Any amounts payable under this Lease Agreement shall be in U.S. Dollars.

(d) Lessee shall maintain such records and submit such reports, including car hire and maintenance expense accounting, as shall be required from time to time by any applicable regulatory agency or any AAR railroad interchange agreement or rule. Lessee shall separately keep and maintain records of payments, maintenance, repairs, other credits and charges, and the number of days on a Car by Car basis that the Cars were operating in the United States, and operating off of Lessee's Trackage, and Lessee shall forward copies of all such records to Lessor at such regular intervals as Lessor may reasonably request. Lessee shall on request promptly forward to Lessor any correspondence relating to any Car.

(e) Lessee will not grant or allow any car-hire relief with respect to any Car without Lessor's prior written consent.

5. Markings and Inspection

(a) Lessor shall cause each Car to be restencilled, at Lessor's expense, with Lessee's reporting marks, as required by the AAR, and an "XM" mechanical designation. The reporting marks and other insignia shall comply with all applicable regulations and AAR Rules. The Lessor shall paint out all existing advertising on the cars at Lessor's expense and do so in the same basic color as each Car.

(b) Lessor and Lessee shall mutually cause each car to be registered in the Official Railway Equipment Register and the Universal Machine Language Equipment Register.

(c) Lessee shall provide Lessor, its officers, employees and agents, with reasonable access to inspect the Cars or records pertaining thereto upon prior written notice to Lessee's Chief Mechanical Officer or Chief of Transportation, depending upon the nature of the inspection. Lessor agrees that it shall not unreasonably, interfere with the Cars' movement as a result of any such inspection. Lessee shall immediately notify Lessor of any accident involving any Car or of any attempt to attach, seize or sell any Car, giving Lessor such details as Lessor shall reasonably request.

6. Maintenance, Taxes and Insurance

(a) While on Lessee's Trackage, Lessee shall preserve the Cars in good operating condition. All running repairs, whether on or off Lessee's Trackage, shall be at Lessor's expense and any invoices received by Lessee for such running repairs shall be promptly forwarded to Lessor for its payment. Lessee shall promptly give Lessor written notice of the need to repair or perform maintenance work on any Car (other than running repairs) when any such Car is on Lessee's Trackage or whenever Lessee has notice that any such Car is in need of repair or maintenance, but Lessee shall not perform or cause to be performed any repairs (other than running repairs) or maintenance without Lessor's prior consent. Upon Lessor's instructions, Lessee will bill a Car to a repair shop off Lessee's Trackage for any such repairs, maintenance or modifications. The repair shop shall be designated by Lessor and only transportation costs off Lessee's Trackage shall be for the account of Lessor. Lessor will have up to 48 hours after date of issue of advice by Lessee to provide disposition. Solely for purposes of determining Utilization, any such Car shall be regarded as not subject to this Lease after expiration of a 30-day period from the date of issue of advice to the date such Car is made serviceable and delivered to Lessee.

(b) Lessee shall not make any alteration, improvement or addition to any Car without the prior written consent of Lessor thereto. Any alteration, improvement, or addition made to a Car by Lessee, at Lessee's expense, shall become the property of Lessor upon installation without any need to reimburse Lessee therefor.

(c) Lessee shall be responsible for any damage or destruction occurring to any Car while on Lessee's Trackage. Lessee shall pass through to Lessor any settlement received by it as the result of any damage to or destruction of a Car occurring while on the Trackage of others. All settlements for damage to or destruction of a Car occurring on or off Lessee's property shall be in accordance with and on at least as favorable terms as those set forth in the Field Manual of the AAR Interchange Rules. Settlements for destroyed Cars shall be in accordance with AAR Rule 107.

(d) Lessee shall be responsible for the filing and payment of all taxes, assessments and other governmental charges of whatever kind or character which may be accrued, levied, assessed or imposed during the lease term and which relate to the operation and use of any Car, except taxes on income imposed on Lessor. Lessee shall also be responsible for any tax, duty or customs payable. Notwithstanding the above, Lessor shall be responsible for all withholding tax and investment tax credit recapture, or any assessments in relation thereto.

(e) Lessee shall indemnify and save harmless the Lessor from all expenses involving property damage (whether to the commodities being loaded or shipped in the

Cars, or otherwise) or any other liability of whatever nature resulting from operation or use of any of the Cars. The parties acknowledge that Lessee intends to be self-insured as to the Cars during the term of this Agreement. When Lessor's employees and/or agents are on the premises of Lessee to inspect the Cars or the records of Lessee as contemplated by paragraph 6(c) hereof, Lessee shall bear responsibility for any injury, including injury resulting in death, to such persons to the extent only that Lessee, its employees and/or agents caused or contributed thereto.

7. Use of Cars

(a) So long as Lessee shall not be in default under this Lease Agreement and subject to the next sentence, Lessee shall be entitled to the possession, use and quiet enjoyment of the Cars in accordance with the terms of this Lease agreement. Lessee's rights shall be subject and subordinate to the rights of any owner or secured party under any financing agreement entered into in connection with the acquisition of the Cars, provided that Lessee shall not be required at any time to duplicate any of its obligations hereunder or to assume additional responsibilities due to the terms of any such financing agreement. Upon notice to Lessee from any such owner or secured party that an event of default has occurred and is continuing, such party may require that all rentals be paid directly to it or the Cars be returned to it. Lessee shall give Lessor at least 10 days' written notice thereof before complying therewith.

(b) Lessee shall use its best efforts to load the Cars so as to maximize Utilization. Lessee shall not be monetarily liable for any damage to a Car caused by loadings of other railroads, but shall take reasonable steps to provide against such damage and to collect from any other railroad the amount of the damage caused by it, and to promptly remit all such amounts to Lessor.

(c) The parties acknowledge that Lessor or the owner of the Cars may have claimed an investment tax credit with respect to the Cars under the U.S. Internal Revenue Code. The parties intend that Lessee will use the Cars in international service recognizing that they may be loaded domestically in Canada to reposition them for international service. Lessee shall not use any Cars domestically in Canada with the exception of that service outlined in the preceding sentence.

(d) Lessee agrees that, to the extent it has physical possession or can control use of any Car, such Car shall be used and operated in compliance with the laws of the jurisdiction in which it is located and with all lawful acts, rules, regulations and orders of any governmental bodies or officers having power to regulate or supervise the use of that Car, except that Lessee may in good faith and by appropriate proceedings or in any other reasonable manner, not jeopardizing the ownership, use or operation of that Car, contest the application of such act, rule, regulation or order at its expense. Lessee shall operate the Cars in accordance with its management practices as to railroad cars of its ownership.

(e) Lessee shall not directly or indirectly create or allow to exist any claim, lien, security interest, or encumbrance with respect to any Car, and shall promptly discharge the same should it arise. Lessee's obligations hereunder shall not arise if any such claim, lien, security interest or encumbrance arose solely through the action or inaction of Lessor or any owner of the Cars or any other person, corporation, railroad company or government, whether federal, state, provincial or municipal.

8. Substitution of Cars Earlier Termination

(a) Lessor shall have the right at any time and from time to time to substitute in place of any Car or Cars one or more boxcars of similar design, age and quality upon at least 60 days' notice thereof, all at the expense of Lessor both for the displaced Car and its replacement. The parties shall cooperate with each other to effectuate such substitution at a mutually agreeable point without unduly burdening Lessee's operation hereunder. Upon such substitution this Lease Agreement shall terminate as to the Car being substituted for, and the boxcar substituted in place of that Car shall thereupon become a "Car" for all purposes of this Lease Agreement.

(b) Commencing April 1, 1983, Lessor shall have the right to remove surplus Cars from this Lease Agreement, during any calendar quarter, if, during the preceding calendar quarter, Utilization was less than 50%. The number of Cars that are surplus shall be that number of Cars by which the total number of Cars would have to be reduced in order to have caused Utilization to equal 50% in such preceding calendar quarter. The parties shall cooperate with each other to effectuate such removal of surplus Cars. Each such Car removed by Lessor shall be in good operating condition, ordinary wear and tear excepted. Upon such removal, such Car shall no longer be subject to this Lease Agreement and any restencilling and/or renumbering costs incurred in respect of such Car shall be at the expense of Lessee. Surplus Cars will be removed first by intercepting Cars returning to Lessee's Trackage, and secondly by returning empty Cars on Lessee's Trackage. With respect to any surplus Car on Lessee's Trackage which Lessor has elected to remove from this Lease, Lessee shall, following receipt of written notice from Lessor of such election, use best efforts to load such Car to a destination within the United States; provided, however, if Lessee is unable to load such Car to a destination within the United States within 30 days of such notice, Lessee shall, upon reasonable request from Lessor, move such surplus Car to any point on Lessee's Trackage specified by Lessor, free of transportation charges.

(c) Any Car (i) which is destroyed shall, upon notification to Lessor thereof, no longer be subject to this Lease Agreement; and any Car (ii), with respect to which Lessee has notified Lessor in writing that a repair is needed or an improvement must be installed, shall no longer be subject to this Lease Agreement after expiration of a 30 day period from the date such Car is taken out of service until such Car is returned to Lessee for service. During the initial term of this Lease Agreement, only transportation expenses to or from such repair shop not on Lessee's Trackage shall be borne by Lessor (unless such improvement or alteration is at Lessee's voluntary discretion).

(d) Notwithstanding anything contained in this paragraph 8 to the contrary, Lessee shall have the right to retain any surplus Car that Lessor has elected to remove from this Lease Agreement pursuant to paragraph 8(b) by paying to Lessor the difference between the amount of Payments actually earned by the Cars during the preceding calendar quarter when Utilization was less than 50%, and the amount of Payments the Cars would have earned if Utilization were equal to 50% in such quarter. For purposes of determining the amount of Payments the Cars would have earned during any calendar quarter if Utilization were equal to 50% in such calendar quarter, the parties agree that the amount of mileage charges earned by the Cars during each Car Hour in which Payments are earned during such quarter shall be the average amount of mileage charges earned by the Cars during such Car Hours during such calendar quarter. Any such payment shall not be subject to any future recapture by Lessee.

9. Defaults and Remedies

(a) Any of the following events shall constitute an event of default:

- (1) Non-payment when due of any amount required to be paid by Lessee;
- (2) Failure to promptly redeliver any Car required to be returned to Lessor hereunder;
- (3) Failure to cure a breach by Lessee of any material term, covenant or condition within 90 days of such breach;
- (4) Any act of insolvency or bankruptcy by Lessee, or the filing by Lessee of any petition or action under any bankruptcy, reorganization, insolvency or moratorium law or any other law for the relief of debtors, or the filing of any such petition or action against Lessee not dismissed within 60 days;
- (5) Appointment of any receiver or trustee to take possession of a substantial portion of Lessee's properties not set aside within 60 days;
- (6) Levy upon, seizure, assignment, or sale of any Car, or the imminency of such an event; or
- (7) Discontinuance of rail service on all or any major portion of Lessee's Trackage.

(b) Upon the occurrence of any event of default, Lessor may, at its option, terminate this Lease Agreement (which shall not release Lessee from any obligations incurred through such date or from thereafter paying rentals upon the Cars until they are returned to Lessor). In such an event, Lessor may proceed by any lawful means to recover damages for Lessee's breach (to include transportation, reasonable attorney's fees and court costs and other expense) and to take possession of the Cars wherever they are located free and clear of Lessee's interest.

10. Indemnities

Lessee agrees to indemnify and hold Lessor harmless from and against all losses, damages, injuries, claims and liabilities of whatever nature and regardless of the cause thereof arising out of or in connection with the use or operation of the Cars during the term of this Lease Agreement, except for losses, damages, injuries claims and liabilities resulting from Lessor's acts or failures to act. Lessor shall not be liable for any loss of or damage to any commodities loaded or shipped in the Cars, and Lessee agrees to assume responsibility for and to indemnify and hold Lessor harmless from and against any such loss and damage and from and against any damage to any Car caused by such commodities. The provisions of this paragraph 10 are subject to the requirements of paragraphs 7(e) and 9(b).

11. Return of Car Upon Termination

Upon termination of this Lease Agreement as to any Car, Lessee shall return each such Car to Lessor by using its best efforts to load such Car to a destination within the United States; provided, however, if Lessee is unable to load such Car to a destination within the United States within 30 days after such termination, Lessee shall, upon reasonable request from Lessor, move each such Car to any point on Lessee's Trackage

specified by Lessor, free of transportation charges. Prior to such return, Lessee shall remove its markings from the Car being returned and shall place thereon such marks as shall be reasonably designated by Lessor. All Cars so returned shall be free of debris and in good operating condition, ordinary wear and tear excepted. Lessee shall further provide Lessor 30 days' free storage on its Trackage for any terminated Car in order to arrange disposal thereof, after which such storage shall be provided at Lessee's customary rates.

12. Notices

Any notice required or permitted to be given hereunder shall be given in writing either by telex or by mail and, if mailed, shall be sent, postage prepaid, addressed as follows:

All payments made to Lessor shall be sent to its address as listed hereinabove. Either party hereto may change the address to which notice is to be mailed by written notice thereof to the other.

13. Arbitration

The Lease Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, Canada. The parties agree, that if any controversy, dispute or claim shall arise out of this Lease Agreement, its interpretation or breach, the parties hereto shall consult with each other in good faith to settle such controversy, dispute or claim. In the event a settlement cannot be reached within 2 months after such consultation is commenced or such consultation is not commenced promptly or is discontinued, and any party hereto shall request that such matter be settled by arbitration, then the matter shall be settled exclusively by arbitration in accordance with the following procedure: The party desiring such reference shall appoint an arbitrator and give notice thereof and of intention to refer to the other party who shall, within 30 days after receipt of such notice, appoint on its behalf an arbitrator, in default of which, an arbitrator on behalf of such other party may be appointed by one of the judges of the Supreme Court of Ontario, upon the application of the party desiring such reference after twenty days' notice to the other party. The two arbitrators so appointed shall select a third, and the award of the said three arbitrators or a majority of them made after due notice to both parties of the time and place of hearing the matter referred and hearing the party or parties who may attend shall be final and binding on both parties who expressly agree to abide thereby. In case the two arbitrators first appointed fail to select a third within ten days after they have both been appointed, then the third arbitrator may be appointed by one of the judges of the Supreme Court of Ontario on application of either party after ten days' notice to the other party. In case of the death or refusal or

inability to act of any arbitrator or if for any cause the office of any arbitrator becomes vacant, his successor shall be appointed in the same manner as is provided for his appointment in the first instant, unless the parties otherwise agree. Each party shall pay half the cost of and incidental to any such arbitration. All arbitration processing shall be held in Toronto, Ontario, Canada and each party agrees to comply with, and abide by, in all respects any decision or award made in any such proceeding.

14. Miscellaneous

(a) This Lease Agreement shall be binding upon, and inure to the benefit of, the parties hereto, their respective successors and assigns, except that Lessee may not assign this Lease Agreement or any of its rights hereunder without the prior written consent of Lessor. Lessor may assign this Lease in whole or in part without the consent of Lessee.

(b) The waiver of any right accruing to any party by failure of that party to exercise that right in a given instance, or delay in exercising that right, shall not be deemed a waiver of that right in future instances of a similar nature or affect any other right, power or remedy available to that party.

(c) Nothing contained herein shall be construed in any way whatsoever so as to constitute or establish a partnership, joint venture or contract of employment between the parties hereto.

(d) This Agreement represents the entire agreement of the parties hereto relating to the subject matter hereof and supersedes all proposals, negotiations and representations, made prior to the execution hereof. No modification hereof or addition hereto will be binding upon the parties hereto unless in writing, having direct reference to this Agreement and executed by the parties hereto.

(e) If it shall be found that any provision of this Agreement or a part thereof is void, prohibited, illegal, unenforceable in Canada or the United States of America or any province or state thereof or other political unit having jurisdiction, such provision or part hereof shall as to such jurisdiction be severable herefrom, be ineffective to the extent of such avoidance, prohibition or unenforceability and be of no force or effect in such jurisdiction, without in any way invalidating the remaining terms, conditions and provisions hereof, and this Agreement as to such jurisdiction shall be treated as if such provision or part thereof had not been inserted herein; however, any such avoidance, prohibition and unenforceability in any jurisdiction shall not invalidate or render unenforceable such terms, conditions and provisions in any other jurisdiction where the same is not void, prohibited, illegal or unenforceable.

15. Renewal Option

Upon the expiration of the term hereof, Lessee shall, provided it is not in default hereunder, have the option, exercisable upon 120 days prior written notice to Lessor, to extend the term hereof for an additional period of 5 years, except that this renewal option shall not apply in the renewal period, and, provided however, that during such extended 5-year term this Lease shall be modified hereby to provide that wherever the term "50%" appears herein the term "60%" shall be substituted therefor.

16. Purchase Option

Upon the expiration of the term hereof, Lessee shall, provided it is not in default hereunder, have the option, exercisable upon 120 days prior written notice to Lessor, to purchase all, but not less than all, of the Cars then subject to the Lease from Lessor for an amount equal to the sum of 55% of the original cost of such Cars ("the Purchase Price"). If Lessee exercises its option to purchase such Cars it agrees to purchase them "AS-IS, WHERE-IS," and agrees to pay the Purchase Price to Lessor in full upon the expiration of the term hereof. Lessor makes no warranties, express or implied, with respect to such Cars, including warranties of merchantability or fitness for any particular purpose. The option granted Lessee hereunder shall not be assignable without Lessor's express prior written consent.

IN WITNESS WHEREOF, the parties hereto have caused this Lease Agreement to be executed on the day and year first above written.
